General Information and Rental Terms & Agreement

Below is some information and details about any cottage that is rented through our company that you need to understand.

The cottage rentals that are available through our company are privately-owned family cottages, and should be treated with the same care and respect as if you yourself were the owner, or it belonged to a friend or relative.

The cottage should be left in the same condition as it was when you arrived. It would be considered common courtesy to leave the cottage in a neat, clean condition, including returning dishes to the cupboard clean, and all garbage removed.

If you have brought a pet to the cottage, we expect that you will take full responsibility for the pet which includes cleaning up around the premises before your departure and taking care of any damages that might have transpired.

WE ASK THAT YOU LEAVE THE COTTAGE IN THE SAME LIKE CONDITION AS YOU WOULD EXPECT TO FIND IT ON YOUR ARRIVAL.

We do have a registration form and rental agreement that requires you to read and understand. Please do take the time to read and fully understand these documents before signing, as they are considered to be legal documents.
